

Asian Trade Network: Mapping Activity

Directions: Using Map #1 and #2 provided, **create a map** of your own combining the information provided. Make sure to show **important trade routes**, **commodities traded**, and **areas of European expansion**. A **map key** is essential and required. Once you have completed your map, write two generalizations about what each of the maps reveal about Asian trade in the Early Modern Era. Attach your map to this handout.

Map #1 Routes and Major Products Exchanged in the Asian Trading Network, c. 1500 **Generalizations:**

#1:

#2.

Map #2 The Pattern of Early European Expansion In Asia **Generalizations:**

#1:
