## **The Constitution**

| Brainstorm                                                                           |                                                                                                                       |  |  |  |
|--------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|--|--|--|
| List all of the things you feel a government does a should do for the people         | Ind/or List all of the duties (aka: actions required by law) and responsibilities (aka voluntary actions) of citizens |  |  |  |
| Directions: Summarize the excerpt below in your own words.                           |                                                                                                                       |  |  |  |
| The Preamble to the Constitution: The owns written. It consists of a single, concise | pening section of the Constitution tells why the Constitution sentence.                                               |  |  |  |
| We the People of the United States,                                                  |                                                                                                                       |  |  |  |
| in order to form a more perfect Union,                                               |                                                                                                                       |  |  |  |
| establish justice,                                                                   |                                                                                                                       |  |  |  |
| insure domestic tranquility,                                                         |                                                                                                                       |  |  |  |
| provide for the common defense,                                                      |                                                                                                                       |  |  |  |
| promote the general welfare,                                                         |                                                                                                                       |  |  |  |
| and secure the blessings of liberty to ourselv                                       | ves and our Posterity,                                                                                                |  |  |  |

<u>The Seven Articles of the U.S. Constitution:</u> The seven articles that follow the Preamble explain how the government is to work. The first three articles describe the powers and responsibilities of each branch of government in turn. The remaining articles address more general matters.

do ordain and establish this Constitution for the United States of America.

| Article 2: The Executive | Article 3 The Judicial           |
|--------------------------|----------------------------------|
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
|                          |                                  |
| Article 5: The Amendment | Article 6: Powers of the Federal |
| Process                  | Government                       |
|                          | Article 5: The Amendment         |

| The fo | orm of government created by the Constitution is characterized by the following seven big ideas. |
|--------|--------------------------------------------------------------------------------------------------|
| 1.     | Popular Sovereignty:                                                                             |
| 2.     | Republicanism:                                                                                   |
| 3.     | Limited Government:                                                                              |
| 4.     | Federalism:                                                                                      |
| 5.     | Separation of Powers:                                                                            |
| 6.     | Checks and Balances:                                                                             |

| 6. | Checks and Balances: |
|----|----------------------|
|    |                      |
| 7. | Individual Rights:   |
|    |                      |
|    |                      |
